

**PADSTOW HARBOUR COMMISSIONERS -
IMPORTANT NOTE REGARDING STILE FIELD
FOOTPATH IMPROVEMENTS (see below)**

September 2nd 2013: Please note that the ferry service will be operating normally throughout the duration of the works.

Work to the branch of the path which gives access to lower beach has been planned for days when the ferry is operating from the harbour slipway all day.

Stile Field Footpath Improvements: Commencing 16 September 2013 (extract of notice from Padstow Town Clerk Notice

Please note much needed improvement works to Stile Field footpaths (i.e. footpath leading from town to the War Memorial and small footpath leading down to the beach) are due to commence on **Monday 16 September 2013** and expected to take 2 weeks, weather dependant.

A permissible footpath will be in place during these works through the field. The top footpath will be used for access by the contractor with regards to their vehicles, excavation equipment and deliveries.

To avoid as much disruption as possible works to the lower path (leading to the beach) will be undertaken when the ferry is not operating.
