# Local Notice to Mariners # 2/2011 Sunday 26<sup>th</sup> June 2011 – Rock Rowing Club Regatta

- Please be aware that the Rock Rowing Club are holding their annual regatta on Sunday the 26<sup>th</sup> of June 2011. There will be several races staged over a 4 hour period, starting from 11.30 am.
- Last year approximately 35 Pilot Gigs attended the event although this year numbers are expected to be reduced.
- The gigs will change crews and rest between races at Daymer Bay Beach, so this area may be very congested and wash should be kept to a minimum when passing.
- Courses will be laid to try and keep the gigs out of the buoyed channel for as much of the races possible, however they will need to cross the channel at the start and end of the races, so please be aware of the increased congestion and proceed at a reduced speed if necessary.
- All race communications will be on VHF channel 72.

**Capt. R. M. Atkinson**  
**Padstow Harbour Master**
