Statement from Padstow Harbour 4th November 2020.

PHC have been following the Governments advice, guidance and legislation in respect to Coronavirus.

With the Governments statement on 31st October 2020 regarding a second national lock down and with the Padstow to Rock Ferry service not being considered essential travel, the Black Tor Ferry service will be cancelled until further notice.

We hope that operations may resume with the Governments intended conclusion on 2nd December 2020, however we will maintain monitoring advice and guidance and confirm closer to the above date.

Thank you in advance for your understanding.

Kind regards,

Bryn Phillips.
