

Hawkers Cove & Tregirls

Small vessels should be aware of the "Doom Bar" – an area which can create heavy breaking seas especially during strong tides or when there is a heavy swell running.

SPEED LIMITS

Outside 8 & 5 knot zones, the speed limit within the estuary is 40 knots. Please be aware that this is a maximum speed but ALL vessels should travel at a SAFE SPEED with regard to traffic density, weather conditions, etc – (RULE 6). **BEWARE of swimmers in all areas** and reduce wake through mooring areas.

Approaches to Padstow Harbour
– Buoyed channel
– Do not anchor.
Smaller vessels not to impede larger vessels using the channel.

Moorings & Approaches to Harbour.
8 KNOTS MAXIMUM SPEED AND MINIMUM WAKE WHEN PASSING FERRY SLIP.
