Local Notice to Mariners # 10/2020 issued 12th May 2020

CORONAVIRUS-REQUEST TO ALL RECREATIONAL VESSELS

Mariners are advised that PHC will begin to relax certain restrictions on the estuary.

From Wednesday 13th May, kayaks, wind-surfers, kite-boards, paddleboards (SUP's) and sailing dinghies will be permitted to use the estuary for recreational purposes on the grounds of exercising outdoors as with the Governments latest statement.

Port Users are reminded to ensure equipment is of sufficient standard and vessels are operated with proper conduct.

By using the estuary you are increasing the possibility of added strain to the RNLI, please bear this in mind whilst enjoying your exercise.

You must only partake in such activities alone, with members of your household, or with one other person from outside your household, while practising social distancing.

Travelling distance to enjoy your exercise is acceptable but please note, leaving your home - the place you live - to stay at another home is not allowed, including second homes.

Please check www.padstow-harbour.co.uk for the latest notices to mariners and safety notices before proceeding on the water.

ALWAYS MAINTAIN SOCIAL DISTANCING GUIDELINES

Recreational motor vessels and visiting vessels remain prohibited on the estuary as we await guidance from the Department for Culture, Media and Sport therefore we are also not permitting the use of our moorings until further notice.
