## Local Notice to Mariners # 11/2022 issued 04<sup>th</sup> April 2022

### Use of Trip Boat Pontoon Steps at Padstow Harbour

Mariners are advised that the deepening of the pontoon berth has exposed an old shutter pile, preventing the reinstatement of the pontoon facility.

All vessels which continue to use the tripping boat steps must be aware that the pile has a drying height of 1.5 metres above CD, situated approximately 2 metres off the Southern pontoon pile.

It is advised that vessels do not embark/disembark passengers at the tripping pontoon steps until there is sufficient water to do so.

Mooring is not permitted at the berth at any time.

PHC will arrange for the disposal of the hazard as soon as reasonably possible.

For more details please contact the Padstow Harbour Office on 01841532239 or email [padstowharbour@btconnect.com](mailto:padstowharbour@btconnect.com).
