# Local Notice to Mariners # 3/2018 issued 18<sup>th</sup> April 2018

## Padstow Harbour – “Iron Ore” Steps Out Of Use

- There is some movement / damage in the harbour wall adjacent to the Iron Ore steps.
- There is a risk that loose masonry could fall onto anyone using these steps, so the steps have been temporarily taken out of use.

- Harbour staff have put in additional railing and signage to keep people away from the area.
- As this wall forms part of the flood defence, the Environment Agency are looking at what can be done to rectify the damage and stop further movement of the wall.
- Please do not use these steps until further notice.
- For more details please contact Padstow Harbour on 01841 532239.
