Local Notice to Mariners **# 6/2017 – issued 14th June 2017**

SHRIMPER RACING WEEK **Friday 16th June – Wednesday 21st June**

- Please be aware that Rock Sailing Club will be hosting their annual shrimper racing week during the above dates.
- Expect to find between 25 and 30 of these sailing vessels racing on courses in the Daymer Bay, Hawkers Cove, Stepper point area.
- If the weather is poor, race courses may be brought into the middle of the estuary between Padstow and Rock.
- Organisers will not lay racing marks within the buoyed navigational channels and will endeavour to minimise congestion, however it is inevitable that these vessels will at some point, be crossing the channel.
- All race communications will be on the clubs private channel, however the race officers boat will monitor VHF channels 16 & 12.
- Please keep a sharp lookout and give way / reduce speed as required by the Anti Collision Regs.
- For more details please contact Rock Sailing & Waterski Club on 01208 862709.

Capt. R. M. Atkinson
Padstow Harbour Master
